### Introduction

You are not reading this by accident. It's attraction. I attracted you to read this document and you have attracted this document into your possession because it is the answer to what you have been asking the universe for. In the following pages, I am going to show you a step-by-step formula to earn anywhere between \$90,000 to \$300,000 with the Law of Attraction and introduce you to the training program that is second to none when it comes to teaching the scientific principles of wealth creation. Does that sound like what you want? I thought so, read on then.

Let me speak frankly, I am an entrepreneur and not much of a writer but what I am about to share with you is not meant to entertain. I will merely show you a clear plan to put money into your bank account. These are the same exact steps I used to create riches online with the Law of Attraction. Also, don't expect any "magic" here. That's not how the Law of Attraction works. All the riches you desire will be brought to you through established channels of trade and commerce and only if you offer a service that has more value in use than the price you ask for in exchange for these riches.

This report is eBook up into two parts. In Part 1, I am going to outline the chain of events and the various business elements that has created this opportunity for you to create wealth with the Law of Attraction. In Part 2 of this report, I am going to reveal the actual formula and system I used to create a six figure income in just over a month with the Law of Attraction.

#### What Others Are Saying:

Dr. Matthew Loop,  
Atlanta

#### "Extra money so easily!"

I am so happy, and grateful that this incredible, cutting-edge affiliate program was put together by Bob Proctor and other teachers from "The Secret!" My first month I was able to earn an extra \$5,500 while the system was on autopilot! The thing that continues to stun me is just how easily this was accomplished. I'll have to agree with Bob Proctor when he says, "Working hard is the absolute worst way to earn money." The SGR system does everything for you and tracks Tier 1 and Tier 2 sales with great precision. I strongly recommend this program to everyone seeking financial freedom, as I am on track to do 1 million this year!

# Part 1: Overview of the Business Elements

As I mentioned earlier, there's no magic to the formula I am going share with you. To make money in any business there are several essential elements that must be present. These are my 5 key elements that have helped me tremendously in my business ventures:

1. Find a **Massive Market**. Without a big marketplace, there is no possibility of successful returns for your business efforts.
2. Offer a **Valuable Product/ Service**. Again, for commerce to take place, there must be an exchange of money for a valuable product or service.
3. Next we need to get the market to be aware that we have a product or service that they want and the cost of disseminating this information must be reasonable. This is called **Effective Marketing!**
4. One of my most important requirements before getting involved in a business venture is that there has to be a clear **Unique Competitive Advantage**. Now without having a unique product, you compete on price or convenience. A business without a unique competitive advantage will struggle with keeping prices above their cost and be at the mercy of prospective customers and that is not fun. And what's the point of making money if you're not having fun!
5. Finally, a business must be able to generate **Leverage** for you. Because we are all constrained by the same 24 hours in a day, a good business should be able to make us money over and over again after we have set it up so that we are free to do whatever we want.

The business I am about to describe to you, scores 10 out of 10 for each of the factors above. Let me give you some background of how this opportunity came into being.

## 1. The Market

This opportunity came to be because of the phenomenal success of the movie "the Secret". Since its release in March 2006, millions of people are now awakening to the Law of Attraction and the movie has been featured several times on the Oprah Winfrey Show, Larry King Live, Ellen and CNN just to name a few. The producer of the movie Rhonda Byrne, has also written a book about it and it has since become a New York Times Bestseller!

This phenomenon has given rise to the first part of our business requirement – the market! For the first time, there is a common language to speak of the laws of success. Just do a search on Google for the term "Law of Attraction" and just take a look at how big the market is. What about going to MySpace and searching for people who have listed "the Secret" as one of their favourite movies? You will find millions of people online in this target market group.

### 2. The Product

“The Secret” was actually inspired by a book called “the Science of Getting Rich” written by Wallace Wattles in 1910. Since the release of the movie, the teachers featured in the movie have been inundated with requests for more information and teaching to apply “the Secret” effectively in people’s lives.

In response to this demand, three of the main teachers from the movie, namely Bob Proctor, Jack Canfield and the Rev. Michael Beckwith decided to produce a comprehensive training program called “The SGR Program”.

The SGR Program comprises of a live 3-day Symposium, 15 hours of audio content presented in an MP3 player as well as 10 audio CDs, a printed manuscript and comes in a leather bound briefcase intended to be used for a lifetime and to be passed down for generations. You will also get to be part of an “SGR Club” where you will have ongoing access to meetings and training all around the world.

To learn more about the SGR Program, please visit [the SGR Program](#)

### 3. The Marketing System

The producers of “The Secret” DVD achieved great success without having to spend a single cent of advertising. Millions were sold and disseminated via the Internet from word-of-mouth marketing only. The creators of the SGR Program thus decided to employ the same method of distribution. The difference is that, they wanted to reward the people who shared the program with a powerful vehicle for wealth creation.

## Law of Attraction Riches

The SGR Program has an affiliate marketing program that pays a very generous 2-tier affiliate commission of \$500 for every successful referral and another \$250 for tier-2 referrals! Best of all, there is no cost for anyone to participate in this affiliate program. That's right, **no cost at all**. If you register an account today and promote this program, you will immediately be given your own SGR Program website and can begin to earn cash commissions!

### 4. The Unique Competitive Advantage

This program was produced by the official teachers from "the Secret"! This is a very powerful unique feature of our product. Do you know any other product that has Bob Proctor, Jack Canfield and Michael Beckwith together? Each of these authors have a massive following of millions of people. For example, Jack Canfield's book series "the Chicken Soup for the Soul" has sold over 100 million copies worldwide!

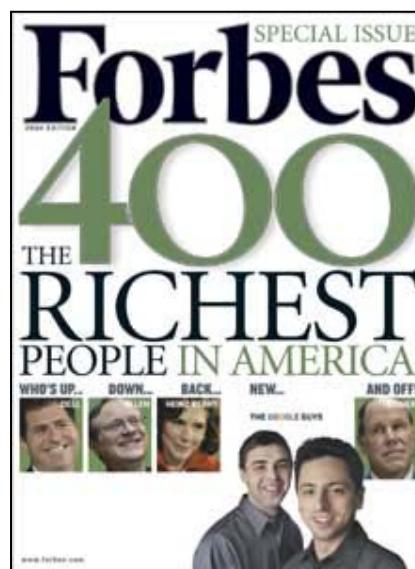

Additionally, unlike other affiliate programs where affiliates are only given a coded affiliate link to direct referrals (for example Amazon.com), the SGR Affiliate Program (premium affiliate program) provides each affiliate with their own website, autoresponder, domain name and comprehensive training for each affiliate to successful refer and convert sales! Now if you are not sure of the terms I just used, don't worry as there is a full affiliate marketing training system that is being offered for free too! More on that later.

### 5. Creating Leverage

The wealthiest people on the planet all have one thing in common. They made their wealth through leveraging their money, their people or their assets. No one person can produce wealth on their own because we are constrained by the number of hours in the day.

Today, there is no question that the Internet represents the greatest opportunity to leverage on technology and the ability to tap into a market place of over 1 billion people without substantial investment. There are billionaires today that have made a fortune by leveraging the Internet and they are barely in their twenties!

With the system I am going to outline in Part 2 of this report, you will see exactly how you too can have a business that is open 24 hours a day 7 days a week without you being present for it to work!

## **Part 2: The Success System**

### **Why We Need A System**

In Part 1 of this report, I have described to you the business elements that are going to allow us to create wealth effectively and rightfully. I say again, it not magic. It's just a good business opportunity.

Now I want to put it to you, that for a business to go from good to great, you need an effective duplication system! Think of where McDonalds would be today if there was no duplication system. McDonalds wins because they model the best and most effective way to succeed.

This understanding has enabled me to become the top affiliate for the SGR Program. Now I invite you to learn and use this same 5 Step Success System to achieve the same success with this program.

### **The 5-Step SGR Success System**

The engine behind my 5-Step SGR Success System is the Law of Attraction. There can be no success without it and I suggest you learn to apply it to in this context. Each day, I feel grateful of the fact that I am attracting like-minded and fun leaders into my business.

I am looking for people who desire riches in definite terms and who are open to exploring business opportunities. I am looking for people who have already been exposed to the Secret or the Law of Attraction and are ready to take action for a change in their lives. I am attracting leaders who are looking for the right vehicle to take advantage of the Internet as means to create extraordinary wealth. By being clear about who I am looking for, it makes it fun to just see how the universe connects me with the right people everyday.

When you attract the right people to this opportunity, there is absolutely no reason for such a person to not become an affiliate and get to train since there is no risk and no cost for doing so. There's nothing to lose and everything to gain!

Once we find the right person, we want to get THIS report into their hands and show them the system. If you are really seeking to make money online with this system, here are the 5 steps you need to take:

### Step 3: Customize and Give Away this Report

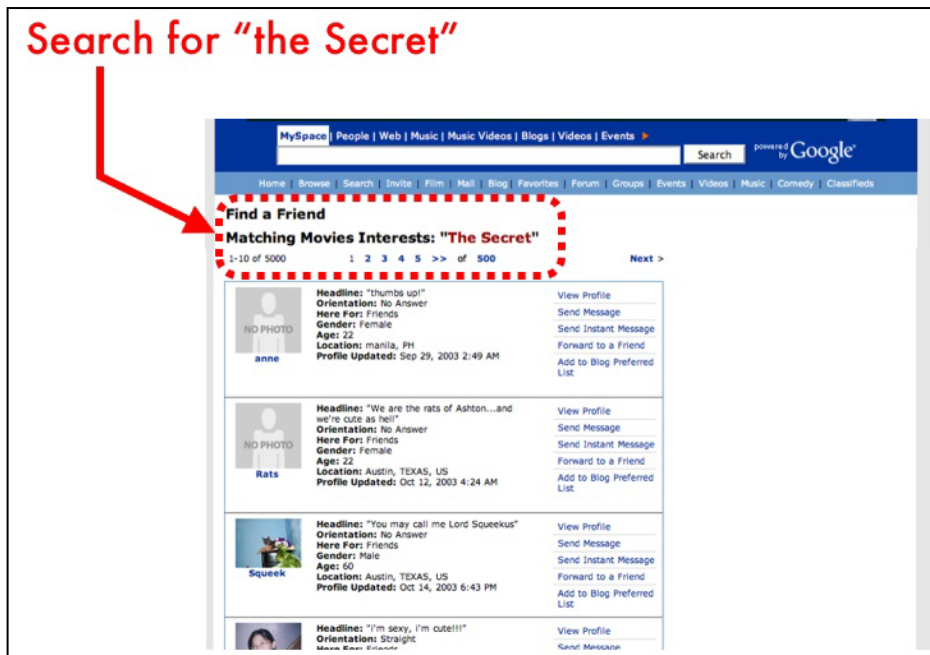

One of the many strategies you will be provided during the training process is the ability to customize this free online report with **your own** affiliate links! Do you see what I mean now that you can duplicate exactly what I have done?

Chances are that you downloaded this free report from a social network website, a forum, from a YouTube video or a micro-website or blog. These are all free services and once you customize this eBook with your own affiliate links, you will be able to share the eBook in the same way.

So all you need to do is giveaway this free report to targeted audiences on line. No need for hard selling. Just share and give!

One of the questions you may ask is “how do I give away this report?”. To demonstrate the power of the latest Web 2.0 techniques, I took a screen shot of all the people on MySpace who listed “the Secret” as their favourite movie.

As you can see, there are thousands! Now that we have identified this group, the next step is to just add them to your friends list. You can leave a link on

## Law of Attraction Riches

your profile to offer them this free report or you can contact them directly and offer it to them once you have gotten to learn more about your new friend. A word of caution here – please do not spam! Find people that will benefit from this report and get their permission **before** you send them the report or your account can be suspended!

I hope you are starting to see how powerful these techniques are. There are close to 200 million people on MySpace alone. Aside from “the Secret” you can search for people interested in “Bob Proctor”, “the Law of Attraction” and “affiliate marketing” for example.

This is just ONE of the many methods I will show you to get access to an endless supply of potential customers and affiliates. There are literally thousands of websites you can access and I will give you a comprehensive list of all these services for free at [www.SGRAffiliateBootcamp.com](http://www.SGRAffiliateBootcamp.com)

So I hope you see that the possibilities for you to tap into this massive market is endless. And since it's free, it's really just up to you to put in the effort to reach this market and a matter of time before you achieve Step 4 below.

### What Others Are Saying:

Jon Yeo,  
Melbourne, Australia

#### **"It is such a phenomenal program"**

The response to the program has been nothing short of phenomenal. Within minutes, I was set up and running and quickly getting sign ups and sales. Within 3 weeks, I saw 200 hits a day and at least a 10% sign up. I am very excited about the huge potential of this program.

### What Others Are Saying:

Maureen Banyan,  
Tustin, Ca

#### **"Results in Just 8 hours"**

Wow, I just signed up this morning and in less than 8 hours we had over 70 people sign up for the free course, and had a new affiliate! \$500.00 is pretty good for 8 hours. We look forward to sharing this opportunity and training program with everyone we know. Thanks! Carl and Maureen Banyan

## Law of Attraction Riches

### Step 4: Get 5 Sales/ 50 Affiliates

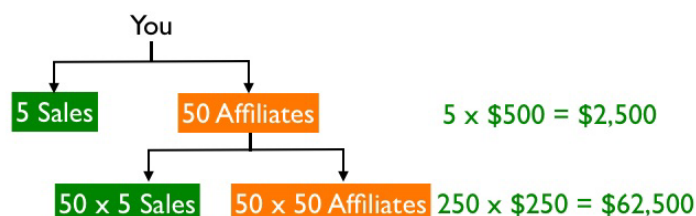

Now as mentioned in the previous example, by using the training provided in SGR Affiliate Bootcamp, getting 5 Sales of the SGR Program and registering 50 affiliate is a matter of CHOICE and a matter of TIME. Since there's no cost involved, you need to DECIDE if you will take the necessary action to get this result.

When you get 5 Sales or sign up 50 affiliates, your initial payoff will be \$2,500. Remember, the SGR Program pays \$500 for direct sales and \$250 for the sales of your affiliates.

Now your role is to LEAD and TEACH this **5 Step Success System** to your 50 affiliates. When you successfully complete this first phase, it demonstrates that you have mastered the basics of online marketing. If you can do it once, it's just a matter of repeating the process. Remember, you want to **train your affiliates** because this is a two-tier affiliate program. You get rewarded with \$250 for every sale your affiliate makes.

When you successfully duplicate this system to your 50 affiliates, your payoff is massive. Imagine 50 affiliates making 5 sales earning you a commission of \$250 each equates to **\$62,500!!**

### Step 5: Get Your SGR Program!

If you have not already done so, it is time for you to get your own SGR Program.

Let me tell you why you need to do this. First and foremost - this will be one of the BEST investments you will make because you are getting a system that will teach you the fundamental science of wealth creation. This knowledge is very profound and it is NOT taught in our society at this level of detail. The program is to be studied for the rest of your life and to be passed on for generations.

## Law of Attraction Riches

Second, the cost of the program has already been covered by your financial returns. Therefore, you are essentially getting this program for free.

Now I am not naïve. I know there will be some people who will not complete Step 5. That's ok. Its not a mandatory requirement. However, I do hope you realize that by following the system and encouraging the same level of integrity from your affiliates, you will be the ultimate beneficiary because you will get a great product and you will get an additional \$25,000 in your business.

Just take a look at what happens when your 50 affiliates complete their training and get their own SGR Program – you will earn an additional \$25,000!

### What Others Are Saying:

Leslie Caywood,  
Las Vegas Nevada

#### **"This program opened my eyes!"**

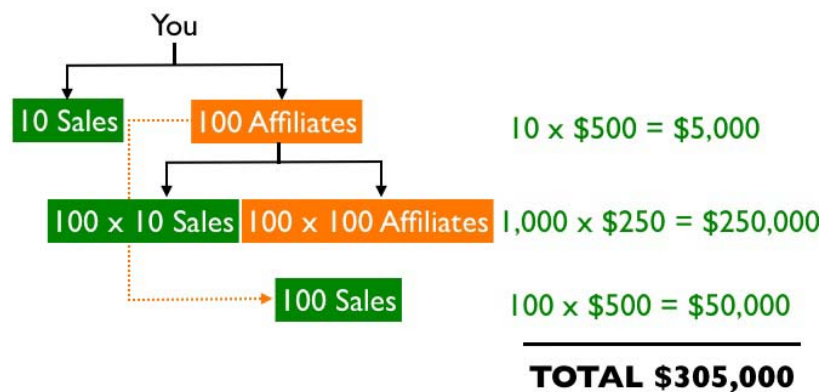

I thought I knew how to make money. My eyes have really been opened by this program and I am so grateful that I have been introduced to these tried and true methods of gaining wealth. I am already seeing astounding results and have received guidance that will forever change the way I am doing business. Open your heart and your mind to this life changing briefcase. Psssst. This is the Secret on Steroids.

## Law of Attraction Riches

### What is Your Income Potential?

Now really, its not my place to suggest a limit on what you can do. I believe that each of us has unlimited potential. If you decide that you want to achieve greater results with this program then do it!

Having said that, I do want to give you a clear idea of how far you can take this. For example, I want to show you what happens when you get 10 sales instead of 5 and get 100 affiliates instead of 50. As you can see from the diagram below, your potential income jumps from \$90,000 to over \$300,000!!

So you see, this could be the very vehicle you have been looking for the create a fortune with the Law of Attraction. Now the next steps are up to you.
